## 摘要

The body of Jesus of Nazareth, in the last few hours before the crucifixion, the encounter is what torments? Jesus says in 30 years, every day is not in the cross under the shadow. He ranks no fixed food is not on time, The foxes have holes, birds have their nests, except to love our Son of man, no where to lay His head. Jesus was the capture of walking it? Is because He wants to save people. Save man, he was take that, as the capture of a robber. But subsequently, the occurrence of those thing? This article contrast the New Testament the four Gospels, the Savior, Jesus the description and to control CTDavis the medical point of view, and Ni analysis of sound brethren, and to understand the physical crucifixion, the resulting changes can be more aware of Jesus' death, the pain suffered by that day. The Lord Jesus said to myself, I ... blood, poured out for many, the forgiveness of sins.
