### 摘要

This paper uses the Personality Types’ s theory of “Hero Within” trying to analyse the deep significance of the Innocent archetype in these three novels: “Le Petit Prince” , “The human child and legend stories” and “Ode to the Gallantry” .

What is the meaning of Innocent? Innocent is the original sin of life? Innocent is the entrance of suffering? Innocent is the gem of humanity? Perhaps , Innocent is the last fresh air in our chaotic world? In the analyses of these paper , we discover these three novels also having the fiction’ s role of the “Little Prince” , that is a key secret about the Innocent archetype .

Therefore , this paper is not only a literary comment , that is also an article about some suggestions and secrets of life .
